

Aloe Fleur de Jouvence®

For centuries, numerous civilizations have used pure, fresh Aloe Vera to help their skin look and feel healthy, young and beautiful. The Egyptians, renowned for their continuous quest for physical beauty as epitomized by Cleopatra, used Aloe Vera for its moisturizing qualities in their efforts to remain young looking. Today, Forever Living Products has captured the full strength of the living plant and blended it into one of the finest skin care regimes available.

Aloe Fleur de Jouvence® ('Flower of Youth') is one of the most effective restorative beauty collections ever assembled. It is a collection of six wonderful components – each designed to fill a special part in a complete regimen of facial skin care. Combining the benefits of traditional wisdom with the scientific knowledge of modern dermatology, Forever Living Products has spared no expense in researching and developing excellent products. Displayed in a beautiful container, the collection also includes a bowl, mixing spoon and application brush. While each of the products is available separately for replacement, it is only through the combined use of all six elements that the full benefits can be enjoyed.

Each product in Aloe Fleur de Jouvence® has been developed with great care and attention to the daily needs of your skin. We start with pure, Stabilized Aloe Vera gel, and combine it with nature's unique cellular substance, Collagen, along with exceptional moisturizers,

emulsifiers and humectants. This creates a unique skin care range that helps counteract the threat of time, weather and environmental elements. The preventive and restorative Aloe Fleur de Jouvence® program provides a daily skin care regime to help promote the naturally occurring attributes of youth, vigor, freshness and radiance of the skin.

Aloe Vera has always been great for the skin. Now, pamper yourself even more with Forever Living Products Aloe Fleur de Jouvence®!

Aloe Fleur de Jouvence® Restorative Beauty Regime Instructions

The Aloe Fleur de Jouvence Collection provides you with all the elements of our restorative.

STEP 1

Cleanse

Aloe Cleanser is the first step in achieving beautiful, flawless skin. Massage Aloe Cleanser into face and neck area every morning and evening. Gently remove with a dampened cloth or tissue.

STEP 2

Tone

Rehydrating Toner is alcohol-free and contains aloe vera, collagen and allantoin for gentle toning. Using a cotton ball, apply Rehydrating Toner in an upward motion every morning and evening.

STEP 3

Moisturize (Morning)

Firming Day Lotion is a hydrating moisturizer that helps skin retain its healthy, vibrant appearance. Gently massage lotion into the face and neck area. It also makes an excellent base for applying your favorite cosmetics from the Sonya Colour Collection.

STEP 3

Moisturize (Evening)

Recovering Night Creme hydrates and soothes, replenishing your skin while you sleep. After cleansing each evening before bedtime, apply generously to face and neck area.

Aloe Facial

An Aloe Facial is recommended 2 to 3 times a week to smooth, cleanse and tighten the skin while revitalizing your appearance. Aloe Activator is a superb moisturizing agent and is the ideal partner to work in combination with the Mask Powder. Aloe Activator is also extremely effective as a skin cleanser and freshener.

Add one mixing spoon of Mask Powder to the mixing bowl. Combine with one mixing spoon of Aloe Activator until the mixture has the consistency of lotion. Use the applicator brush to apply a thin, even film from the neck upward. Relax in a reclining position, limiting facial movement for approximately 30 minutes.

Apply a moist towel to the face to soften the mask, then gently remove remaining mask and rinse with warm water. Follow with toner and your favorite moisturizer.

For additional benefits, use Forever Living's Facial Fabrique Tissue. This revolutionary product heightens exfoliation by refining the pores and tightening the skin. Facial Fabrique's unique layering design also helps the skin better absorb the many wonderful nutrients found in the aloe vera rich moisturizers from Forever Living Products.
