

## VITOLIZE™ Men's Vitality Supplement

Although the exact age may vary, prostate health eventually becomes an important issue for all men. Vitolize™ Men's Vitality Supplement contains all of the power of Forever Pr6®, but now also includes more nutrients, more bioavailable nutrient forms and more powerful botanicals.

Vitolize™, combined with a healthy diet and exercise, offers a natural solution to support prostate health. This unique, comprehensive formulation helps to maintain normal urinary flow, promote healthy testicular function, and encourage optimal prostate health.

### Proprietary Botanical Blend

Vitolize™ is formulated with a proprietary blend of botanicals including saw palmetto, pygeum and pumpkin seed. Each of these botanicals has been used for centuries to support prostate health.

### Exclusive Nutrient Blend

Vitolize™ also includes a blend of nutrients specifically designed and balanced to support men's health and promote healthy prostate function. Vitamins C, D, E, and B6 are all essential for a healthy prostate. These vitamins have been combined with the minerals selenium and zinc, which have been found to play a critical role in prostate health. Quercetin and lycopene have also been added in levels that are properly

balanced with these critical nutrients to provide complete prostate support.

### New & Improved

In addition to vitamin E, selenium and lycopene from the original Forever Pr6®, Vitamin C, D and B6 have been added in combination with zinc and quercetin. Vitamins C, D, and B6 are all essential for prostate health and are required for the production of hormones.
